

INSTRUCTIONS FOR THE CT SCAN PROCEDURE COMPLETION FORM (CPC)

I. General Instructions

The CT Scan Procedure Completion Form (CPC) is completed for each participant eligible for the CAC study at the time of the CT Scan or attempted CT Scan. The presence of this form in CDART is the basis for the CT Scan Reading Center at UCLA to know what scans should be expected, and for the CC to track which participants should have CT Scan results.

II. Detailed Instructions for Each Item

0a. Enter the date the form is completed.

0b. Enter the staff code of the person who is completing the form.

1-1b1. Record whether the CT scan was performed, and/or reason incomplete or not attempted. If 'other' reason is selected, specify the details for this selection.

2. Record the CT scan date.
